

Safety and hygiene regulations for visiting the exhibition

- Signs at the entrance point out all regulations. The front desk in the foyer is equipped with a protection made of Plexiglas. The visitors are guided through the exhibition on marked paths.
- A maximum of 8 people are allowed to stay in the large exhibition room at the same time. The seating arrangements are marked. The two small rooms can only be entered individually.
- A minimum distance of 1.5 metres per person must be observed
- The wearing of a mouth and nose protector is mandatory. basis offers disposable masks at the front desk at the purchase price.
- No access for cough, fever, sore throat
- Unfortunately, events or group formats, including guided tours, cannot take place until further notice.
- The coughing and sneezing rules (sneezing/coughing into the crook of your arm) and regular hand washing apply.
- Disinfectant dispensers are provided in the corridor.
